

Job Title:

NAVY: Clinical Psychologist/Division Officer-Naval Health Clinic New England; Groton, CT (O-4 billet, Supervisory)

Job Description:

As Division Officer for either Behavioral Health Clinic or Substance Abuse Rehabilitation Clinic of Behavioral Health Department at the Groton Branch Health Clinic, the incumbent administratively and clinically supervises 11-25 civilian and active duty providers, counselors, technicians, and corpsmen. Administrative and supervisory role make up about 8-10% of duty. Works directly for Head, Behavioral Health Department. As clinical psychologist, provides psychological evaluation, treatment, consultation, and duty status disposition services. Patient care makes up 90-92% of duty, including related tasks (training, team meetings, clinical peer review, etc.). Duty includes call, which occurs about one week out of every seven. Call occurs only during normal working hours, and clinical case load is reduced to ½ during call week to allow for emergency same-day evaluations.

Maintains all basic readiness standards as required by the U.S. Public Health Service. Requires a Secret clearance.

PHS officers assigned under this Memorandum of Agreement (MOA) must remain available for PHS deployments. Under this MOA, PHS officers are not authorized to deploy with the military.

Requirements:

License: A current, unrestricted, and valid license as a doctoral level clinical psychologist from a U.S. State (as defined in 42 USC 201 (f)) is required.

Training: The candidate must possess a Ph.D. or Psy.D. in Clinical or Counseling Psychology from an accredited academic institution.

Additional Requirements:

Must have training and be proficient in evidence-based treatment of depressive disorders and post-traumatic stress disorder and assessment and management of suicidal risk. Initial assignment term is a 3-year obligation.
